

AMPEROR™

To Whom It May Concern:

It is my pleasure to write this letter in hearty recommendation of Kelly Curnutt as a tenacious and dedicated trial lawyer, and his firm of Curnutt & Hafer, L.L.P. in Arlington, Texas. Throughout many years in various business ventures around the world, I have hired many lawyers and law firms for many reasons. Never have I dealt with a lawyer that I believed honestly cared for and defended my interests more than Mr. Curnutt.

In January, 2000, Mr. Curnutt represented me and two of my companies in a lawsuit brought in Texas state court by a former employee seeking over \$1 million in actual damages. During the course of discovery and depositions leading up to trial, and then during the entirety of the two week jury trial, Mr. Curnutt vigorously defended our interests, persuasively advanced our theories of the case, and skillfully discredited the plaintiff and other adverse witnesses. As a result, the jury found in our favor by unanimous verdict.

In sum, I believe Curnutt & Hafer, L.L.P. provides superior legal representation at reasonable rates. I could not be more pleased with the firm's work, and would highly recommend them to anyone seeking legal representation in the United States.

Sincerely,

Dr. R.C. Ho,
CEO
